CIB
Approval of
Draft Resolutions N 448/2021 to N 457/2021
39th ISO/TC 23/SC 6 meeting
(2021 June 14/15)

COMMENTARIES/
DECISIONS

- ❑ ISO/TC 23/SC6 adopted 10 resolutions during its plenary meeting.
- ❑ Delegates from 16 ISO Members were attended

FOLLOW UP

- ❑ **For approval by CIB until 25th of June 2021**

RESOLUTION - N 448/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Reappointment of WG convenor WG 22 Revision of ISO 4254-6
Item 6.2 of the agenda	

ISO/TC 23/SC 6 “Equipment for crop protection”,

- Having considered ISO directive part 1 to sub-clause 1.12.1,
- Having considered the willingness of WG 22 convenor to continue,

Confirms the reappointment of

- Mr Karl KLOTZBACH as convenor of WG 22 Revision of ISO 4254-6;

The decision was taken *by unanimity*.

DRAFT RESOLUTION - N 449/ 2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Adoption of New work items – Restart of ISO 19932 -1, -2 and -3
Item 9.1 of the agenda	

ISO/TC 23/SC 6 “Equipment for crop protection”,

- Having considered resolution N 434/2020 and the decision of CEN/BT to withdraw the 3 work items from CEN/TC 144 programme,
- Having considered documents N 1659, N 1660, N 1661 and the results of the CIB given in documents N 1683, N 1684 and N 1684,
- Having considered ISO 19932-1:2013 and ISO 19932-2:2013 are under systematic review until 2021/09/02,
- Having noted the request for CEN/TC 144 members to develop the 3 parts as a package in order to propose them as European Harmonized standards,

Confirms

To restart the 3 new work items ISO 19932-1, ISO 19932-2 and ISO 19932-3 and to develop them under Vienna Agreement with CEN/TC 144 in order to propose them as Harmonized standards at European level.

Requests ISO/TC 23/SC 6 secretary

- to register the revision of ISO 19932-1 and ISO 19932-2 as NWI on completion of the end of the Systematic review with the proposal to go directly to Draft International Standard stage (DIS – stage 40.00) as recommended by SC 6 members,
- to launch the CIB for NWIP for ISO 19932-3 after SC 6 meeting as it is considered as new project in order for the 3 parts to conclude at the same time.

Notes the following elements for the 3 work items

- Project leaders appointed : Andreas HERBST (DE) for parts 1 and 2 and Tom BALS (UK) for part 3
- Work item developed by : ISO/TC 23/SC 6 WG 5 "Portable sprayers"
- Standard development track : 18 months
- Circulation of 1st working documents : September 2021
- Vienna Agreement with CEN/TC 144 with proposal to publish them as Harmonized standards under Machinery for pesticide application Directive (Directive 2009/127/EC) for parts 1 and 2 and under Sustainable use of Pesticides Directive (Directive 2009/128/EC) for part 3.

The decision was taken *by unanimity*.

DRAFT RESOLUTION - N 450/ 2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Adoption of New work items – Amd 1 of ISO 28139:2019
Item 9.1 of the agenda	

ISO/TC 23/SC 6 “*Equipment for crop protection*”,

- Having considered document N 1658 and the results of the CIB given in document N 1682,
- Having noted that no modification nor expansion is proposed to the scope,

Confirms

The registration as New Proposal of Amendment 1 of ISO 28139:2019

Equipment for crop protection — Knapsack combustion engine-driven air blast sprayers — Safety and environmental requirements and test methods,

With the following elements:

- Project leader appointed: Davide Gnesini (I),
- Work item developed by : ISO TC23 SC6 WG5"Portable sprayers"
- Standard development track : 18 months,
- Circulation of 1st working document : June 2021,
- Vienna Agreement with CEN/TC 144 and proposal to adopt EN ISO 28139 and this amendment as Harmonized standard under Machinery for pesticide application Directive (Directive 2009/127/EC).

Decides

To register this document directly at the Draft International Standard stage (DIS – stage 40.00) as recommended by ISO/TC23/SC 6 members.

The decision was taken *by unanimity*.

RESOLUTION - N 451/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Systematic review
Item 10 of the agenda	

ISO/TC 23/SC 6 “*Equipment for crop protection*”,

- Having considered the 2020 systematic review results given in documents N 1662;
- Having considered ISO Directive part 1, clause 2.9.3 ;
- Having considered the discussion during the plenary meeting;

Decides

to confirm ISO 22401 and ISO 22522 for another 5 years period.

Notes

that for ISO 22522 a revision should be considered in the future.

The decision was taken *by unanimity*

RESOLUTION - N 452/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	New WG " Environmental requirements"
Item 11 of the agenda	

ISO/TC 23/SC 6 “Equipment for crop protection”,

- Having considered the discussion during the plenary meeting regarding the need of revision of ISO 16119 and ISO 16122 series,

Decides

to start a new WG "**Environmental requirements**" which will be in charge of:

- revision of ISO 16122 series,
- and preparing a report to ISO/TC23/SC6 next plenary meeting (2022) to recommend the scope of revision of ISO 16119 series, supported by an ad-hoc group.

Appoints

Jaco Kole (NL) as Convenor and,

Notes

SIS will provide the secretary support for the revision of ISO 16122 series and,
SC6 project manager will launch a call for experts.

The decision was taken *by unanimity*.

RESOLUTION - N 453/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Adoption of New work items – Revision of ISO 16122-1, -2, -3 and -4
Item 11 of the agenda	

ISO/TC 23/SC 6 “Equipment for crop protection”,

- Having considered documents N 1675 and the results of the call for information with the comments from countries,
- Having considered the discussion during the plenary meeting,
- Having noted that this series is adopted by CEN as Harmonized standards in the frame of the Directive EC/ 128/2009 ,
- Having understood that a potential broader revision of this standard may be required in the next years particularly in light of revision of ISO 16119 series,

Agrees

to revise ISO 16122-1, -2, -3 and -4 and to register them as NWI in ISO/TC23/SC6 work programme,

Confirms

that the scopes of the 4 parts remain the same and

Recommends

a limited revision in accordance with the proposals circulated before the meeting as document N 1675.

Agrees

on the following elements

- Project leader proposed: Jaco Kole (NL),
- Work item developed by : New WG "Environmental requirements",
- Standard development track : 36 months,
- Circulation of 1st working document : September 2021,
- Vienna Agreement with CEN/TC 144.

The decision was taken *by unanimity*.

RESOLUTION - N 454/2021	
ISO/TC 23/ SC - 2021 - 06 - 14/15 – Virtual	
Subject	Adoption of Preliminary work items - PWI ISO 16119 – 1, -2 , -3 and -4
Item 11 of the agenda	

ISO/TC 23/SC 6 “Equipment for crop protection”,

- Having considered documents N 1676 and the results of the call for information with the comments from countries given in documents N 1676, 1677, 1678, 1679,
- Having considered the need for revision,
- Having considered the discussion during the plenary meeting and the need for further preparatory work including looking at the standards as referred to in the existing ISO 16119 series and any potential technical gaps,
- Having noted that this series is adopted by CEN as Harmonized standards,

Agrees

to register as PWI ISO 16119- 1, -2, -3 and -4 in ISO/TC23/SC6 work programme.

Agrees

on the following elements:

- Project leader proposed: Jaco Kole (NL),
- Work to be conducted by a dedicated Ad hoc group of new WG "Environmental requirements".

Asks to

the Ad hoc group under the umbrella of new WG "Environmental requirements" to prepare a report to ISO/TC23/SC6 next plenary meeting to recommend the framework for revision of ISO 16119 series including the analysis of existing standards referred to in the series and any potential gaps.

The decision was taken *by unanimity*

RESOLUTION - N 455/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Restart WG 6 " Sprayer cleaning"
Item 11 of the agenda	

ISO/TC 23/SC 6 “Equipment for crop protection”,

- Having considered documents N 1671 and the presentation at the meeting,
- Having considered the discussion during the plenary meeting

Decides

to restart WG 6 "**Sprayer cleaning**" " which will be in charge of:

- revision of ISO 22368 series,

Appoints

Adam BARLOW (US) as Convenor and

Notes

ANSI will provide the secretary support and,
SC6 project manager will launch a call for experts.

The decision was taken *by unanimity*

RESOLUTION - N 456/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Adoption of Preliminary work items - PWI of ISO 22368 – 1, -2 and -3
Item 11 of the agenda	

ISO/TC 23/SC 6 “*Equipment for crop protection*”,

- Having considered documents N 1671 and the presentation at the meeting;
- Having considered the discussion during the plenary meeting;

Agrees

to register as PWI ISO 22368-1, -2 and -3 in ISO/TC23/SC 6 work programme,

Agrees

on the following elements:

- Project leader appointed : Adam Barlow (USA)
- Work to be conducted by WG 6 "Sprayer cleaning"

The decision was taken *by unanimity*.

RESOLUTION - N 457/2021	
ISO/TC 23/ SC 6 - 2021 - 06 - 14/15 – Virtual	
Subject	Next plenary meeting
Item 12 of the agenda	

ISO/TC 23/SC 6 “*Equipment for crop protection*”,

- *Thanks American* delegation and ASABE for its invitation for the 2022 meeting (St Joseph - Michigan) and agreed on the proposed dates from **12th of September to 16th of September 2022** if possible due to the pandemic situation.
- *Invites* WGs convenors to confirm their intention to meet during this week in order to facilitate the planning of the meetings.
- *Notes* that for all WGs and SC6 meeting, parallel virtual systems will be proposed to allow all delegates to attend.

The decision was taken *by unanimity*.
